All Saints by Christy Kenneally

I know a lot of saints, I do! So let me mention just a few; I know someone who runs a team and teaches kids to play and dream, who stands in cold and wind and rain, on days they play and nights they train: Someone who's there when we are sad, the best and gentlest friend we've had. Someone who says, 'Just do your best', when I am scared to take a test; A friend who takes the time to show how things were done so long ago; A teacher who just always knows where that comma always goes; And others who are kind and good, who try to act as Jesus would, who show God's love in all they do. I know a lot of saints, don't you?

Love Lives On

Those we love remain with us for love itself lives on, and cherished memories never fade because a loved one's gone. Those we love can never be more than a thought apart, far as long as there is memory, they'll live on in the heart.
