November Prayer: Jesus, Saviour and Redeemer, during the month of November remember all our loved ones who have died. Please give them comfort and hope and may they be at peace, knowing that they will rest in God's arms eternally. Thank You for our memories of them and for the good times we shared. We ask You, through their intercession, to deepen our faith, strengthen our hope and increase our love that we, too, may someday stand before You, ready to enter Your Holy Kingdom. Amen

Remembrance is what makes a people strong, because it feels rooted in a journey, rooted in a history, rooted in a people. Remembrance helps us understand that we are not alone, we are a people: a people with a history, with a past, with a life. Remembering so many who have shared a journey with us. **Pope Francis**
