World Day of Prayer for Grandparents and the Elderly celebrated this Sun. 24th July the Sunday closest to the Feast of Saint Joachim and St. Anne, grandparents of Jesus. The theme chosen by Pope Francis for this year's celebration is "In old age they will still bear fruit" Psalm 92:15). 'Dear grandparents and elderly persons we are called to be artisans of the revolution of tenderness in our world. Let us become, as it were, poets of prayer. Old age is no time to give up and lower the sails, but a season of enduring fruitfulness, a new mission that awaits us and bids us look to the future. Aging is not a condemnation but a blessing'. (Pope Francis)

PRAYER FOR GRANDPARENTS

Lord Jesus,

you were born of the Virgin Mary, the daughter of Saints Joachim and Anne. Look with love on grandparents the world over. Protect them! They are a source of enrichment for families, for the Church and for all of society. Support them! As they grow older, may they continue to be for their families strong pillars of Gospel faith, guardians of noble domestic ideals, living treasures of sound religious traditions. Make them teachers of wisdom and courage, that they may pass on to future generations the fruits of their mature human and spiritual experience.

"Everybody today seems to be in such a terrible rush, anxious for greater developments and greater riches and so on, so that children have very little time for their parents. Parents have very little time for each other, and in the home begins the disruption of peace in the world." -St. Mother Teresa of Calcutta
