**The Season of Creation:** 1<sup>st</sup> Sept. – 4<sup>th</sup> Oct. 2022. **Theme** 'Listen to the Voice of Creation'.

Pope Francis established 1<sup>st</sup> September as an annual World Day of Prayer for the Care of Creation - (Feast of Saint Francis of Assisi) and celebrates the joy of creation as well as encouraging awareness-raising initiatives to protect the natural environment.

In this Season of Creation, this symbol of God's Spirit calls us to listen to the voice of creation, to the voices of those who suffer the impacts of climate change, to the voices of those who hold generational wisdom about how to live gratefully within the limits of the land. These are voices of the Earth. The global Christian family is called to awaken to the urgent need to heal our relationships with creation and with each other and to encourage our parish communities to do the same, "for we know that things can change!" (Laudato Si', 13).
