Brightening Banagher for Christmas - Banagher Christmas Lights 2020

In a year that will be remembered for throwing our lives into chaos with Covid 19, our group believe that lighting up Banagher for Christmas is more important than in any other year. We will begin to put up the lights in the coming weeks and are getting an additional large tree to add to the lovely lights that many of you complimented last year. We anticipate that it will cost approx. €3,500 to cover all costs from insurance, replacement and installation costs this year but are confident that we will be able to fundraise this money.
While we fully understand that this has been a very difficult year financially for some individuals we are asking people in the area to make a contribution towards off-setting the cost for 2020. Should you wish to make a donation, envelopes are available in the Post Office as well as Paul Flynn's and John Feeney's shops. Having our town bright and welcoming for Christmas has never been more important. Please support our fundraising drive. Thank you for your continued support.

Novena Prayer to St. Martin de Porres

Most humble St. Martin whose burning charity embraces all, but especially the sick, afflicted or in need, we turn to you for help in our present difficulties and we implore you to obtain for us from God health of soul and body and in particular the favour we now ask.
May we, by imitating your charity and humility, find quiet and contentment all our days and cheerful submission to God's holy will in all the trials and difficulties of life.
St. Martin, pray for us that we may be worthy of the promises of Christ. Amen.
O God who exalts the humble and who made St. Martin your confessor to enter into the heavenly Kingdom, grant through his merits and intercession that we may so follow the example of his humility on earth as to deserve to be exalted with him in Heaven. Through Christ Our Lord Amen.
